

PREMIUM FEATURES FOR **MOTOTRBO ION**

IMPROVE YOUR COMMUNICATION EXPERIENCE WITH EMBEDDED FEATURES

Meet the ever-changing needs of your business with the MOTOTRBO™ Ion smart radio from Motorola Solutions. MOTOTRBO Ion is the first business-ready communication device with always-on voice and broadband data capabilities. It brings together renowned PTT performance, an open app ecosystem on the Android platform, and access to our unified technology ecosystem – from video security and analytics solutions, to best-in-class network security, to powerful new software and technology services like smart virtual assistants.

Premium features that are normally sold a la carte are now included with the MOTOTRBO Ion. Be confident in the optimal performance of your smart radios and infrastructure, ensuring maximum productivity. These premium features enable you to be safer, improve your audio, work more efficiently, and increase productivity. With access to the premium features offered on the MOTOTRBO platform, you can configure your devices in a way that matches the needs and pain points of you and your team.
